

FOR IMMEDIATE RELEASE

February 24, 2009

VIRTUAL SPORTS EMPLOYMENT FAIR ONLY \$35 FOR STUDENTS

Tickets are LIMITED - line up your Summer Internship today with one of the top companies in the Sports Industry at the Sports Employment Fair, March 18-19, 2009.

MIRAMAR, Fla. – The competitive job market has forced organizations to adapt to diminished budgets for recruiting and fewer positions and more responsibilities on new hires. Fewer employers are taking the time or spending the money on participating in job fairs, and one company found a solution. Sports Employment Inc. announces the first completely **VIRTUAL Sports Employment Fair** on **March 18-19, 2009**.

Some of the employers committed to participating in the Virtual Sports Employment Fair include: **ESPN X Games, FC Dallas, Gameday Management Group, Homestead-Miami Speedway, Miami Dolphins/Dolphin Stadium, National Basketball Association (NBA), National Football League Alumni Association, National Football League Players Association, Oklahoma City Thunder, Orange Bowl Committee, Orlando Magic, Pittsburgh Pirates and many more.**

Now, college students interested in a career in sports can interview, network and leave a lasting impression with employers without spending money on gas or other travel arrangements. The Virtual Sports Employment Fair allows job seekers and employers to connect live via instant messaging and webcams. This unique approach gives a more personal touch than mass internet postings while still utilizing the latest in technology and offering a budget and eco-friendly alternative to hosting a live event.

The Virtual Sports Employment Fair is only \$35 for job seekers/students available through www.sportsemploymentinc.com. The ticket price includes a preview day on March 17 to “map out” the job seekers plan of attack and two full days of employment opportunities. The Virtual Sports Employment Fair is live from 9 a.m. to 10 p.m. EST on both days, offering students and employers ample time to connect through the virtual booths and expo halls. Take a tour of the Fair at www.sportsemploymentfair.com.

Unlike on-campus career fairs in which there are small number of local positions and thousands of students, the Virtual Sports Employment Fair has a limited number of job seeker tickets available (only 1,000 tickets worldwide) and positions across the United States. This offers more one-on-one time between employers and students and a better chance at getting a position. In addition, staff from SEI will be online continuously to offer advice and even interview tips.

Sports Employment Inc. (SEI) strives to become the leading resource for job seekers and employers in the sports industry through hosting employment fairs, career forums and providing advice and enrichment to job seekers in *The Scoreboard*, an e-newsletter. SEI brings together in one venue sports employment opportunities for college students and current professionals looking to work in the sports industry.
